Brie and her fiancé hired the space for an intimate elopement, here's what she had to say about The Wedding Social Co...

"10/10 venue for small, romantic weddings. After changing our wedding plans three times, we decided to just go for a pandemic wedding on a whim. Just 10 days of planning, it was so easy with you guys. Super responsive, put up with my back and forth questions, awesome prices. Highly recommend if you're looking for a romantic venue with great vendors. We just wanted to say the biggest thank you ever for letting us get married in your beautiful space and all of your organisation. I know it was a lot of back and forth, and there were added challenges, but you made it as easy as possible."
